## HOW THE DEAD SPEAK

After the catastrophic ending of their last case, Tony Hill and Carol Jordan are dealing with the fallout. Tony is finding unexpected outlets for his talents in jail, while Carol has joined forces with a small group of lawyers and forensics experts looking into suspected miscarriages of justice. When human remains are discovered in the grounds of an old convent, it quickly becomes clear that someone has been using the site as their personal burial ground - and as newly promoted DI Paula McIntyre looks into the case, it's destined to bring her, Tony and Carol into each other's orbits once again. The investigation throws up more questions than answers, and as the evidence mounts, Tony and Carol find themselves closer to the edge than they have ever been before...
